

The American Public Works Association is an international educational and professional association of public agencies, private sector companies, and individuals dedicated to providing high quality public works goods and services.

Originally chartered in 1937, APWA is the largest and oldest organization of its kind in the world, with headquarters in Kansas City, Missouri, an office in Washington, D.C., and 63 chapters throughout North America. APWA provides a forum in which public works professionals can exchange ideas, improve professional competency, increase the performance of their agencies and companies, and bring important public works-related topics to public attention in local, state and federal arenas.

## COURSE INFO AND DIRECTIONS...

The City of Auburn Hills chose one of the favorite and hottest present-day golf course designers, Arthur Hills. He was joined by one of the best golf course construction companies, Furness. This combination of expertise gifted the Fieldstone Golf Club with a traditional layout that is shaped elegantly around wetlands, through meadows, and over streams. A true test of golf, the design offers variety of playing conditions with the choice of five different teeing areas and total course yardage of 4,780 to 7,002.

- Interstate 75, exit Joslyn Road - South.
- Take the second left — Taylor Road.
- Travel East approximately one mile, past Giddings Road, to Fieldstone Golf Club, the entrance is on the right.
