Quality Precast Tour

Speaker:

Josh Schierbeek, Quality Precast

Location:

Quality Precast Inc.
7800 Adobe Road
Kalamazoo, MI 49009

Come tour this 25,000 sft precast concrete plant expansion that just opened in August, 2018. The new facility includes a computerized concrete batching system, fabrication shop, and waste-water filtration system. Within the facility you will see how drainage structures, precast buildings, large block retaining wall blocks, and other precast products are manufactured.

Due to the nature of the tour, PPE is REQUIRED (bring your own if possible). Registrations will be limited to the first 40 registrants.

Directions:

From US 131 take Exit 44 D Avenue. Head West ¼ mile on D Avenue. Turn south onto Adobe Road. Quality Precast is located at the end of Adobe Rd.

Cost: \$10 per person (at the door)

- 11:30 Registration
- 11:30 -12:00 Lunch
- 12:00 -1:00 Presentation & Tour
